CALIFORNIA WRESTLING HALL OF FAME HISTORY

In October 1996, a group of wrestling coaches, officials and supporters met in Monterey, California to organize a California Wrestling Hall of Fame.

Since this meeting, a steering committee has met and adopted by-law recommendations to the State Hall of Fame Committee. Additional meetings took place and a selection procedure for induction into the California Wrestling Hall of Fame is in place.

California has been long overdue in establishing a Hall of Fame. There are many past coaches, officials, athletes and supporters of wrestling who should be recognized and remembered for their contributions to our sport, "the oldest living sport" Wrestling.

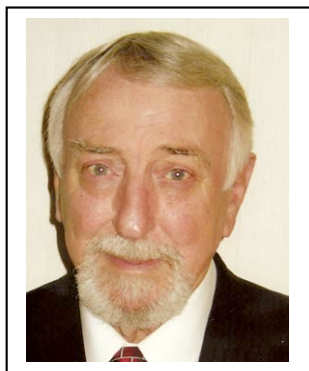

At the present time, we are searching for a Hall of Fame facility. Many prefer a location in a central California city such as Fresno, Bakersfield, or San Luis Obispo, so that it could be centrally located. However, if the committee could find a location would facilitate our Hall, that is where we would go as this is our primary goal. At this time, California USA has a complex in the making and we are in their plans.

The late Dave Schultz was the first inductee in 1997. The first group of nineteen individuals were selected for induction in 2000. So far, 94 individuals have been inducted in six California Hall of Fame banquets and 27 Lifetime Service Awards. This year (2008) we are inducting ten individuals in the Ninth Annual California Wrestling Hall of Fame Banquet and nine individuals receiving the Lifetime Service Award for their dedication and commitment to wrestling.

If you would like further information on the goals of the California Hall of Fame (see mission statement), or would like to serve on the Hall of Fame Committee, contact Dennis Bardsley at (559) 299-2176 or email Dennis at dbards@sbcglobal.net. The committee is also seeking donations to support this worthwhile endeavor.

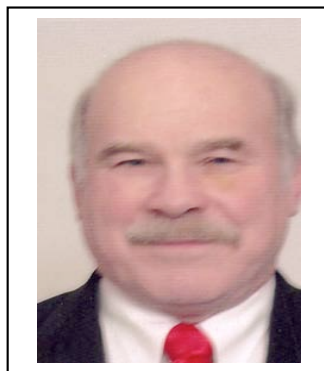

Annual membership dues are \$25 per year. You will receive a membership card and an annual newsletter. Please send your check to: California Wrestling Hall of Fame, C/O Del Schwartz, 21712 Superior Lane, Lake Forest, CA 92630

CALIFORNIA WRESTLING HALL OF FAME MISSION STATEMENT

The mission of the California Wrestling Hall of Fame shall be to recognize those individuals and groups who, because of their outstanding dedication, have contributed immeasurably to the establishment, maintenance, and continuation of amateur wrestling in the Golden State.

The lives of thousands of student athletes from middle school, high school, community college, college to chosen careers have been shaped, molded and forever impacted by their association with amateur wrestling. Dedication to a goal, determination to do their best, and self-sacrifice for excellence, are but a few of the investments when one is part of wrestling. Self-discipline, self-reliance, and self-confidence are lifetime returns for amateur wrestlers and others who have given of themselves to the sport.

Wrestling builds character and is unique among sports because it welcomes all athletes – tall and short, heavy and light, physically strong and physically finessed. Wrestling is blind to color, socio-economic status and geography. The California Wrestling Hall of Fame shall recognize and honor into perpetuity those wrestlers, coaches, officials, friends of wrestling and related organizations who by their exemplary contributions are worthy of recognition by induction into the California Wrestling Hall of Fame.
